

# 2011 Conference for the Wisconsin Chapters of Society of American Foresters and The Wildlife Society

March 1 - 3, 2011, Glacier Canyon Lodge Conference Center  
at the Wilderness Hotel & Golf Resort, Wisconsin Dells

The 2011 Joint SAF/TWS Conference looks at challenges facing natural resource professionals today in forestry and wildlife management. On March 2, the conference focuses on early successional forests and associated wildlife species. Presentations include updates on the status of Wisconsin's forests, wildlife trends in early successional forests, and opportunities to design forest management activities to enhance early successional habitat for wildlife species. On March 3, concurrent sessions address general forestry and wildlife management issues.
