

Southwest Wisconsin Chapter Report
WI SAF Executive Meeting
September 29, 2010

July 13, 2010 – SAF/TWS Planning Committee Meeting

The planning committees from SAF and TWS met on July 13 at the The Wilderness Lodge to discuss planning of the March 2011 joint meeting. A contract has been signed with the Wilderness Lodge. Room rates and meals will be provided at the state rate. An Arrangement Subcommittee was formed which will handle all the logistics of the meeting and a Program Subcommittee was formed which will handle the agenda of the meeting.

July 20, 2010 – Summer Chapter Meeting

Our summer chapter meeting was July 20 in Beloit. We invited the Southeast WI SAF Chapter and the UW-Madison Student Chapter to attend also. The meeting included a tour of the Beloit Box Board Company which makes 100% recycled paperboard used in boxes, writing tablet backs, and other products. The facility is one of the oldest paper mills in the state, located on the west side of the Rock River, directly across from Beloit College. See how the Beloit Box Board Company takes urban recycled paper from Beloit, Madison and other municipalities and turns it into something of value. We were able to offer attendees 3 category 1 CFE credits for attending.

October 9, 2010 – Fall Forester Outing

The Southeast Chapter has extended an invitation to attend their Fall Forester Outing at Seno Woodland Education Center.

Upcoming

A conference call of the SAF Planning Committee will occur in early October to discuss registration fees, speakers for the 2nd day break-out sessions, and publicizing the meeting.
