

Southeast Chapter Report
WI SAF Executive Meeting
September 29, 2010

Our last SE Chapter meeting was held at Mader's Restaurant in Milwaukee on July 21st. We presented Bob Blomquist with his 50 year membership certificate. Congratulations Bob!

Betty Melick passed away on June 29, 2010. Betty was Max's wife. Max passed away in December, 2008. Max was a 75 year member of SAF. Betty and Max had been married for 74 years when Max passed away. Betty was 100 years young when she passed.

Randy Cooper agreed to continue on as Chapter Chair, but members were asked to consider volunteering to be Chapter Chair.

We are looking for ideas for chapter meetings. Some suggestions that people shared are listed below:

- Tour the Leopold Center / Shack
- Tour the Crane Foundation
- Badger Ammunition
- Devil's Lake
- Joliet arsenal
- Theater at the Seno Barn

Our next chapter event will be held on Saturday October 9, 2010 at the Seno Woodland Education Center near Burlington. Here is an excerpt from the chapter newsletter:

Fall Forester Outing:

Plan to spend Saturday, October 9, 2010 with Chapter members and friends at the Seno Woodland Education Center and the adjacent Drumlin Farm. The Center is 131 acres of forest, prairie and wetlands located approximately 4 miles south of Burlington, WI, just off of County Road P.

The goals of the Center are:

- 1) To provide educational opportunities for educators, students, landowners and the general public, and,
- 2) To demonstrate sustainable **management of forest and related resources.**

We plan to meet at the Center's Headquarters at 11:00 am and complete our formal tour by 2:00 pm. We will likely have lunch catered in at the headquarters but lunch plans will depend on the number attending. Lunch cost will be approximately \$10.00 per person and will be collected at the Center. SE Chapter members, spouses and friends are all invited. We also plan on inviting SW Chapter members.

Please contact John Eschle (262-264-5705) by Wednesday, October 6 if you are planning on attending, how many will be attending with you, if you plan on joining us for lunch and if you would be interested in car pooling. Leave a telephone message if John is not at home. For additional information on the Seno Center and Drumlin Farm visit www.senocenter.org on the web.

Another chapter meeting is planned for early November, before deer season, most likely at Mader's.
