

Wisconsin Society of American Foresters Exec Meeting January 11, 2010

Historian Report

1. I have the final format put together for printing “ A HISTORY OF EVENTS OF THE WISCONSIN SOCIETY OF AMERICAN FORESTERS 2001-2010”
 2. The cost estimate for 72 pages of this booklet is \$815.00 for 200 copies.
 3. I will present at the Exec meeting the format for printing.
 4. I will have a descriptive sheet on instructions for archiving our society records for each Exec member.
 5. As some of you will recall, I had indicated my termination as Historian will occur upon completing the printing of our history booklet. At this time, Tom Albrecht has declined to take the position. A volunteer is needed!
