

Southwest Wisconsin Chapter Report
WI SAF Executive Meeting
June 15, 2010

April 28, 2010 – 2011 Statewide Meeting Planning Call

The planning committee for the 2011 Statewide Meeting had a conference call to discuss timing, locations and theme ideas for the upcoming meeting. Assignments were handed out to call participants.

June 14, 2010 – 2011 Statewide Meeting Planning Call

The planning committee for the 2011 Statewide Meeting had a conference call to discuss the upcoming meeting. The agenda of the call included discussing a proposal from the Wildlife Society to host a joint meeting, finalizing an agenda for the contract with the Wilderness, and reviewing the Wilderness Contract.

July 20, 2010 – Summer Chapter Meeting Scheduled

Our next chapter meeting is scheduled for July 20 in Beloit. We have invited the Southeast WI SAF Chapter and the UW-Madison Student Chapter to attend also. The meeting will include a tour of the Beloit Box Board Company which makes 100% recycled paperboard used in boxes, writing tablet backs, and other products. The facility is one of the oldest paper mills in the state, located on the west side of the Rock River, directly across from Beloit College. See how the Beloit Box Board Company takes urban recycled paper from Beloit, Madison and other municipalities and turns it into something of value.

If time and schedules allow, the meeting will also include a discussion on the latest gypsy moth outbreak (evident at Beloit College) and an introduction to the City of Beloit's urban forestry program. A short chapter business meeting will also be held, with updates on planning for the SAF Statewide Meeting in March 2011.
