## Proactive Solutions When Dealing With Quarantines and Emerald Ash Borer

This years SAF Statewide Meeting will take place on September 22<sup>nd</sup> and 23<sup>rd</sup> in New London, WI. We will be focusing on what you need to know when dealing with quarantine and different approaches to managing Ash stands before EAB gets to it.

This years meeting will be held in conjunction with the Great Lakes Timber Professional Association. The Fox River Valley Chapter of SAF has been hosting a joint meeting with the GLTPA for the past 10 years and each year has been a great learning opportunity.
