

Wisconsin SAF Executive Committee Meeting
Thursday, June 7, 2018
Schmeekle Reserve
Stevens Point, WI

Southwest Wisconsin Chapter Report

1. The SW Chapter had a successful meeting “Managing Today’s Forests for Future Risks”, Feb 21 in Spring Green. The meeting focused on learning about the potential risks associated with forest management in a changing climate and what we as foresters can do about it.
 - a. Attendance: 40 (19 SAF members, 2 new member sign ups)

2. The next Chapter meeting is scheduled July 25, 2018.
 - a. Title: Utilizing Fire as a Tool for Managing Oak Ecosystems
 - b. When: 8:30 am to 5:00 pm
 - c. Where: Stoddard / Dahir Property, Highland WI and Dodger Bowl, Dodgeville, WI
 - d. What: This meeting is a field tour and afternoon meeting co-sponsored by Forest Stewards Guild, TNC, and The Tall Grass Prairie and Oak Savanna Fire Science Consortium. A “Save The Date” flier has been distributed, registration will be available soon. Attendance is open to all, price to be determined for non SAF members.
